

January 2018

Praise God!

- The ministry continues where we are gone.
- Individual Bible studies are continuing.
- Pastor Jeu & Ester are leading the church plant.
- Valdimir is now participating in storytelling.
- Claudio, Jeremias, Luiz, and Mario are keeping the kid's clubs moving forward.
- We can communicate with our team with cell phones.
- Both women's groups are doing well.
- Ellen is recovering from surgery.
- We are able to rent a house while in the USA.
- Friends and Supporters are caring for us in this challenging time as we deal with Ellen's health issue.

Prayer Request

- Jeremias is responsible for the boat while we are gone, pray that he has safe travel and the boat does not get stolen.
- Pray for my kid's club leaders Claudio, Jeremias, Mario and Luiz who are now operating the ministry.
- That the Holy Spirit will encourage Valdimir, George, Christava, and Coldero to take on larger roles.
- That our Spiritual Family will continue to grow closer and grow in size while we are away.
- Pray for our women's group that Ester and Stephine are now leading.
- Pray for our church visit on our US Ministry tour for 2018.
- We need to raise additional support while we are visiting our supporting churches. Pray the Lord will open doors and bring people into our lives that can help us financial support our ministry.

Keep An Eye Out For Us

We are in the States on our US Ministry Tour to visit our supporting churches and to raise additional support for our ministry. We are living in Dayton, Ohio so that Ellen can recover from her surgery.

Church Plant 2018

It is exciting that the church plant we are working on still continues to meet even though we are not there. Rejoice with us and keep them in Prayer.
